

**Town of Forestville**  
**Permit for the Installation and Operation of**  
**Above Ground Manure Lines**

Permittee, \_\_\_\_\_ is permitted under the authority of Wisconsin Statute Sections 86.07 and 86.16, and Town Ordinance \_\_\_\_\_ to install and operate manure line(s) in the town right-of-way for the Town of Forestville, Wisconsin.

Permittee shall comply with all of the following conditions:

1. Installation shall be in compliance with the attached map.
2. Permittee is liable for any leaks or spills.
3. Permittee must remove the line(s) immediately when Pumping ceases or within seven (7) days of the installation of the line (s).
4. The Town of Forestville may request that the line (s) be removed at any time due to road right-of-way maintenance operations.

Failure to comply with the conditions shall result in the revocation of the permit under section IV of Town Ordinance \_\_\_\_\_ .
